OUR VISION

We envisage ourselves as a nationally acknowledged School System grooming the new generation to be true embodiments of civic sense, and enkindling the love for the humanity in true Islamic perspective.

MISSION STATEMENT

The Punjab School is committed to pursuing excellence, providing financially affordable superior quality education aiming at producing academically proficient, committed and morally upright individuals, keen to contribute towards raising a harmonious fraternity.

HISTORICAL BACKGROUND OF ORGANIZATION'S INCEPTION

Syed Ihsan Ullah Waqas and Liaqat Baloch, eminent social workers, dreamt in early 1987 to set up a school of eminence that could provide quality education to the children of indigent and lower middle class at an affordable expense. They travelled to Saudi Arabia, USA and UK to muster support for materialization of their dream. Having been successful in mobilizing some old friends and philanthropists, a Trust namely Makkah Foundation consisting of eight members was registered in November 1987. In 1989, Mr. Liaqat Baloch managed allotment, through the good offices of Senator Dr. Basharat Elahi, of a piece of land measuring 66 kanals, on payment at government scheduled rates, in a comparatively underdeveloped area of southern Lahore in Township. The earth breaking ceremony of the Foundation's 1st educational venture was performed on 14th August, 1990. This School took a modest start with Preschool, Junior & Girls High School in April 1992 and Boys High School in April 1994 in three blocks of single-storey buildings. During the period of nine years, after its inception, some more philanthropists and social workers joined hands in promoting this cause that enabled us to add a separate block of Junior School, another storey of Preschool, and two floors each of Boys and Girls Schools in addition to constructing a multipurpose hall and a swimming pool. In order to meet certain codal requirements, a trust was revoked in 1996 and the Makkah Foundation was registered as a Society in 1996 under Societies Registration Act 1860.

By 2001, the School had become one of the leading schools of Lahore. Encouraged by this success, the Foundation extended the educational facilities to Kot Khawaja Saeed, another educationally backward area of Northern Lahore. School followed school in quick succession;

The third school of the chain, established in Johar Town, went functional in 2007. The fourth school of the chain, another state-of-the-art campus spreading over an area of 52 kanals went operative in 2013 and the fifth campus of the School went functional in March 2022 in WAPDA Town, Lahore. This School Chain, a burgeoning scholastic entity, is presently operating five Campuses in Lahore with a student body of around 19,000 students.

CHIEF EXECUTIVE MESSAGE

The Punjab School established in 1992 in Township under the auspices of Makkah Foundation, stands out as one of the most prestigious chains of schools, which has gained singular recognition through its meritorious results during its short history, in tough competition with already established and most reputed schools of the province.

Primary aim of education is to develop the intellectual level of a child by stimulating his / her capacity of thinking, reasoning, analyzing through reading, and writing, listening and speaking skills. Memorizing things without understanding does not promote comprehension. We plan to give our children the first wholesome experience of joining the

world of protected environment under the umbrella of academically qualified and professionally experienced teachers for comprehensive development of personality.

We plan to ensure the provision of state-of-the-art facilities with even emphasis on outdoor and indoor co-curricular activities in the form of games like swimming, cricket, football, hockey, basketball, badminton, and table-tennis. Exposure to scouting, speech contests, quiz competitions, debates and declamations, art & craft exhibitions help the students gain confidence and excel gracefully in their practical life. Our stalwarts in sports are playing in national hockey and cricket teams. One of our students Salman Akbar is the captain of Pakistan Hockey team. Our Swimmers have won accolade in swimming at national and international level in age group levels.

These purpose-built educational campuses are equipped with modern facilities for imparting quality education with a view to producing students representative of true Muslim culture, imbued with zest for learning. we ensure to provide truly academic aura where parents can confidently entrust their progenies in the safe hands of professionally trained teaching staff, who have proved their mettle and competencies by producing exemplary results in academics and co-curricular activities at provincial and national levels. Entrust your child to a wholesome and environment of our system

for carving him/her into a confident, competent and courageous citizen to contribute towards the wellbeing of a civilized society.

Your child is a sacred trust with us, and we undertake to infuse in him an insatiable urge for learning, leading towards the ultimate success. Parents' willing cooperation will surely facilitate the achievement of this gigantic task.

May Almighty Allah help us in the attainment of this cherished goal.

Amen!

TRAININGS / WORKSHOPS

Professional Development plays a very significant role in developing a comprehensive, sustained and intensive approach to improving teachers' effectiveness in raising students' achievement. It is comprised of professional learning that is aligned with continuous cycle of improvement supported by workshops. It also provides job embedded coaching or other forms of assistance to support the transfer of new knowledge. In The Punjab School In-service Training Workshops are arranged throughout the year. These workshops are conducted not only by the professional trainers of different reputed institutions but also by the teachers of The Punjab School. Invitations of different workshops are also addressed keeping in view their magnitude and significance. The detail is attached as appendix I.

CO-CURRICULAR ACTIVITIES

Our students have been participating in almost all the co-curricular activities. In pursuance of the School Policy to encourage students to take part in co-curricular activities, this year as well, School organizes Activity Week from 16th November 2021 to 19th November 2021. The pictorial highlights of the activity week are as under:

FINANCIAL HIGHLIGHTS

INDEPENDENT AUDITOR'S REPORT

To the members of "MAKKAH FOUNDATION".

Report on the Audit of the Financial Statements

Opinion

We have audited the annexed financial statements of "Makkah Foundation" (the society) which comprise the balance sheet as at June 30, 2021 and the statement of comprehensive income, the statement of cash flows, the statement of changes in funds for the year then ended and notes to the financial statements, including a summary of significant accounting policies and other explanatory information and we state that we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of the audit.

In our opinion and to the best of our information and according to explanation given to us, the balance sheet, the statement of comprehensive income, the statement of cash flows and the statement of changes in funds together with the notes forming part thereof conform with the accounting and reporting standards as applicable in Pakistan for Not for Profit Organization issued by the Institute of Chartered Accountant of Pakistan.

Basis for Opinion

We conducted our audit in accordance with International Standards on Auditing (ISAs) as applicable in Pakistan. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of the Society in accordance with the International Ethics Standards Board for Accountants' *Code of Ethics for Professional Accountants* as adopted by the institute of Chartered Accountants of Pakistan (the Code) and we have fulfilled our other ethical responsibilities in accordance with the Code. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Information Other than the Financial Statements and Auditor's Report Thereon

Management is responsible for the other information. The other information comprises the information included in annual report, but does not include the financial statements and auditor's report thereon.

Our opinion on the financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

Responsibilities of Management for the Financial Statements

Management is responsible for preparation and fair presentation of the financial statements in accordance with the accounting standards as applicable in Pakistan for Not for Profit Organization issued by the Institute of Chartered Accountant of Pakistan and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Society's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Society or to cease operations, or has no realistic alternative but to do so.

Board of Members is responsible for overseeing the Society's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs as applicable in Pakistan will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with ISAs as applicable in Pakistan, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide audit basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Society's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Society's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our

auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Society to cease to continue as going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the board of members regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide the board of members with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

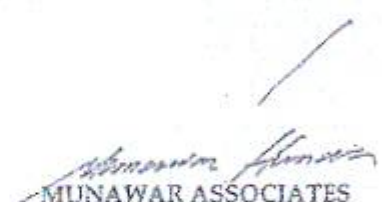

Report on Other Legal and Regulatory Requirements

Based on our audit, we further report that in our opinion:

- a) Proper books of accounts have been kept by the Society as required by the applicable accounting standards in Pakistan for Not for Profit Organization issued by the Institute of Chartered Accountant of Pakistan;
- b) the balance sheet, the statement of comprehensive income, the statement of cash flows and the statement of changes in funds together with notes thereon have been drawn up in conformity with the applicable accounting standards in Pakistan for Not for Profit Organization issued by the Institute of Chartered Accountant of Pakistan and are in agreement with the books of accounts and returns;
- c) investments made, expenditure incurred during the year were for the purpose of Society's business; and
- d) No zakat was deductible at source under the Zakat and Usher Ordinance 1980 (XVIII of 1980).

The engagement partner on the audit resulting in this independent auditor's report is Munawar Hussain.
